

Building your home with

QUALICO[®]
fort mcmurray

Qualico has an active office and local team in Fort McMurray, with a complete design center and full time interior designer to assist you with your custom home choices.

01

We have a 65 year history and have built over 110,000 homes in Canada, making us the largest home builder in Western Canada. We are proud of our 17 year history constructing more than 1,100 homes in Fort McMurray.

02

We will customize your home with design and finishes you will be proud of for years to come. In addition, your new home will be covered by the 10 year Alberta New Home Warranty Program.

03

Qualico has received many customer service awards, including the H.O.M.E. Best Customer Experience Award for 2017 and 2018. This is awarded to the home builder achieving the highest overall score each year, as rated by our customers. You can be assured you're in great hands with our warranty and service team.

04
